

LIVING VETERANS,

The Spring Grove Area Veterans Memorial Group, LLC, has constructed and dedicated a memorial in Spring Grove to honor the service of Spring Grove area veterans, both living and dead, who have honorably served our nation both in peace and in war.

We are continuing to collect names for the memorial. If you want to be listed on the memorial...

YOU NEED TO TAKE ACTION. Living veterans need to request to be included in order to be listed on the memorial. Positive action is needed. If you do nothing, your name will not be included on the memorial.

WHY ARE WE ASKING YOU TO DO THIS? Some living veterans do not want to have their names listed on the memorial while they are still living. The SGAVMG will honor their wishes. In order to avoid listing a name and then later discovering that the living veteran did not want to be named on the memorial, the SGAVMG is requiring living veterans to take action to be included. You must submit a Request for Inclusion Form to the SGAVMG.

PLEASE COMPLETE AND RETURN THE FORM ON THE REVERSE in order to have your name included on the memorial. Or you can contact any board member or visit our website www.springgroveveteransmemorial.org to obtain a form. Forms are also available at the Legion.
