Remembering and Honoring All Who Served

ALL GAVE SOME. SOME GAVE ALL.

Spring Grove, MN, has a long and proud history of defending our nation. Hundreds of our citizens, dating from the Civil War to the present, have answered our nation's to call to defend freedom. A memorial to honor World War I veterans was established in the City Park in 1920, yet there was no monument to honor the service hundreds of our men and women before or since that period. The Spring Grove Area Veterans Memorial Group was formed for the specific purpose of establishing such a memorial.

Our Mission:

Establish a memorial in Spring Grove Minnesota to honor the service of Spring Grove area veterans, both living and dead, who have honorably served our nation both in peace and in war.

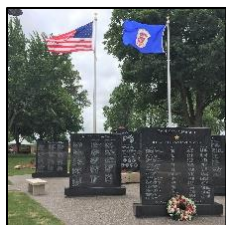

The Spring Grove Veterans Memorial is a place for quiet reflection and remembrance. It serves as a dignified reminder to us all that Freedom Is Not Free. It reminds us of the sacrifices made by our men and women to the cause of freedom and liberty.

The monument features the names of military veterans who have honorably served our country, men and women, living and dead, from the Civil War to the present. Those who gave the last full measure of devotion are honored on a Gold Star stone. The monument includes space for adding new names.

Won't You Help?

We request you consider making a tax-deductible donation to the memorial to help defray the cost of adding new names. We suggest \$200. A donation is 100% voluntary, and no veteran is denied the honor of having his or her name on the memorial for lack of a donation. Please complete the donation form on the reverse.
